Virgil Hayes

Manager of Drug User Health, NASTAD

Mary Pounder

Program Director, Comer Family Foundation

About NASTAD

WHO: A non-profit, non-partisan national association founded in 1992 that represents public health officials who administer HIV and hepatitis programs funded by state and federal governments.

WHERE: All 50 U.S. states, the District of Columbia, Puerto Rico, the U.S. Virgin Islands, seven local jurisdictions receiving direct funding from the Centers for Disease Control and Prevention (CDC), and the U.S. Pacific Island jurisdictions.

MISSION: NASTAD's mission is to end the intersecting epidemics of HIV, viral hepatitis, and related conditions by strengthening domestic and global governmental public health through advocacy, capacity building, and social justice.

VISION: NASTAD's vision is a world free of HIV and viral hepatitis.

Agenda

- Welcome
- Overview
 - Funding Diversity from the perspective of Funders
 - Funding Diversity from the perspective of an HR program (Choice Health Network)
 - What makes a good proposal?
 - Success stories of programs who have achieved program sustainability through diverse streams of funding
 - Opportunities/challenges of acquiring diverse funding streams during COVID-19
 - Q&A

Question 1

- As funders what are some of the struggles that you've seen programs face in terms of funding diversity/sustainability?

Question 2

- As an operator of a HR program in Eastern TN, could you talk to us about the history of your program and how you were able to use diverse funding streams to provide services and improve program sustainability?

Question 3

- What makes a good proposal?

Question 4

- As funders what are some success stories in terms of program sustainability that you can share with us today?

Question 5

- What opportunities and challenges has COVID19 created when it comes to improving/securing diverse funding and sustainability?

Q&A

- If you have any questions for our panelist, please feel free to type them into “Q&A” or “chat box”
