

STAKEHOLDER ENGAGEMENT LIST

While developing the stakeholder engagement list, organizers can use the below tool in the development of the list:

Type of Stakeholder	Persons and/or Organizations	Role in the Local Community	Potential Role in the Stigma Conversation	Level of Knowledge on Stigma and Discrimination in HIV response (low/medium/high)	Level of Commitment/ Interest in Engaging on this Issue (low/medium/high)
Department of Health	Ex: HIV Prevention Department	Ex: Provide funding for CBOs and provide technical assistance	Ex: Providing general oversight of prevention programs	Ex: Medium/High	Ex: High
Allied Government Entities					
Community-Based Organizations					
Priority Population Organizations					
Advocates					
Persons Living with HIV					
Medical Provider Community					
Private Sector					

This tool was adapted from the Measure Evaluation [Stakeholder Engagement Tool](#)
