¹ For the purposes of this report, ADAP clients are considered to be enrolled in either the full-pay medication program or the insurance program. Full-pay medication program clients are defined as those individuals who receive medications paid in full by ADAP with no coordination of insurance or benefits. Insurance program clients are defined as those who have additional coverage (i.e., insurance, Medicare) that ADAP is assisting through paying premiums, deductibles, or co-payments/co-insurance.

² Individuals who had an insurance (i.e., Medicare Part D, Medicaid, private insurance) payment (premium, co-payment/co-insurance, and/or deductible) paid on their behalf using ADAP funds, either fully or in part.

³ This includes clients who enrolled in an insurance plan mid-year and those who were enrolled in an insurance plan that did not cover one or more medically necessary medications such that the ADAP's full-pay prescription program did instead.
