Ending the HIV Epidemic: A Plan for America

Jurisdictional Directory

The Ending the HIV Epidemic (EHE) Jurisdictional Directory lists local and state points of contact for community engagement activities. Aiming to increase community participation, the directory also includes EHE websites, EHE jurisdictional plans, and social media accounts. NASTAD maintains the directory as the HRSA-20-089 Systems Coordination Provider and CDC PS19-1906 National TA Partner. The most current directory is available on NASTAD’s EHE website.
