The AIDS Budget and Appropriations Coalition (ABAC) is a working group of the Federal AIDS Policy Partnership, a coalition of 180 national and community-based HIV/AIDS and public health organizations that represent people living with HIV/AIDS, HIV medical providers and researchers, and advocates, as well as community organizations that provide critical HIV related health care and support services. ABAC advocates for the necessary resources for domestic HIV/AIDS programs across the federal government. For more information, please contact ABAC Co-chairs Nick Armstrong, The AIDS Institute, <u>narmstrong@taimail.org</u>, Drew Gibson, AIDS United, <u>dgibson@aidsunited.org</u>, Emily Schreiber, NASTAD, <u>eschreiber@nastad.org</u>, or Carl Schmid, HIV+Hep Policy Institute, <u>cschmid@hivhep.org</u>.

¹ Coalition requests, calculated from the FY2023 funding levels, do not reflect the true need for each program and the people they serve.

² This increase includes \$100M request specifically to initiate a national PrEP initiative to support ending the HIV epidemic.

FY2025 Appropriations for Federal HIV/AIDS Programs

(In	creases/decreases from p	previous fiscal ye	ears are shown ir	n parenthesis.)

March 25, 2024 (Increases/decreases from previous fiscal years are shown in parenthesis.)

The most up-to-date version of this chart is available at <u>http://federalaidspolicy.org/fy-abac-chart/</u>.

³ These numbers include discretionary appropriations as well as \$4 b in mandatory funding.

⁴ This funding is used to increase PrEP prescriptions, HIV testing, and linkage to HIV care within community health centers.

⁵ A loan repayment program for providing infectious diseases and HIV services.

⁶ Based on FY2024 NIH HIV/AIDS Professional Judgment Budget.

⁷ Total MAI funding is distributed through multiple programs and, in most instances, is included in the funding requests for those programs.

⁸ Indian Health Services funding is appropriated through the Interior, Environment and Related Agencies appropriations bill.
