Over the past 21 days, you have participated in the Racial and Health Equity Challenge. Now it is time for you to consider how you will continue to engage in these issues. Identify some commitments you'd like to make to continue to be part of the solution.

In the next 48 hours, I will:					
In the next week, I will:					
Over the next 3 months, I will:					

Please document your reflections as you proceed through the challenge to assist with the full discussion on Day 21.

Add any additional reflections, questions, comments and notes:
