Equity, Diversity, and Inclusion (EDI) Orientation

Cuyahoga County
Board of Health

What is EDI?

Equity

Everyone can eat the food they need at the dinner party

Diversity

Everyone is invited to the dinner party

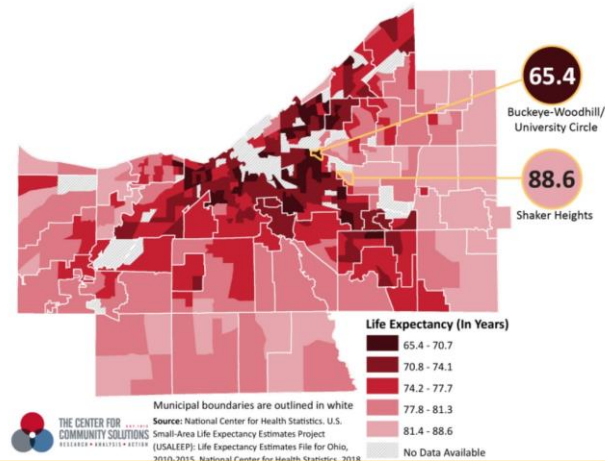

Inclusion

Everyone's food choices are offered at the dinner party

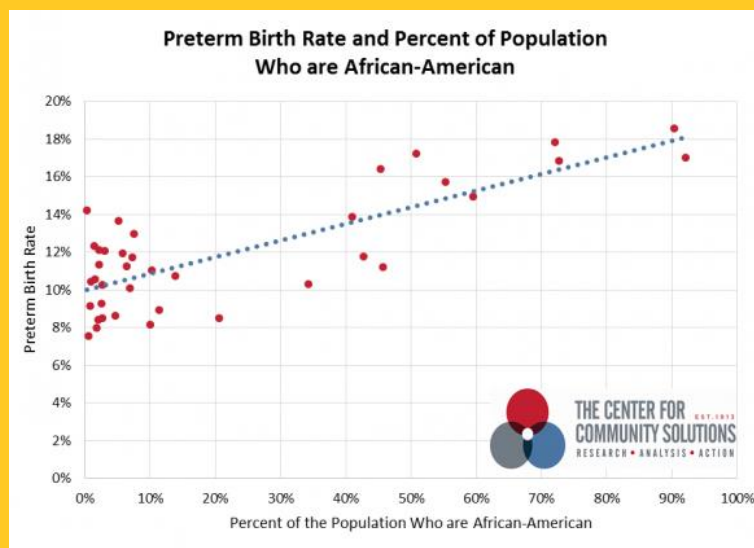

Application to Work at CCBH

There is a **23 year difference** in life expectancy between these two neighborhoods, **less than 2 miles apart**.

Who
Are
You

Identity Activity

- Think about who you are as a person.
- On each index card, write one identity that you have.
- Share identities with large group
- Rip up identity that is least important to who you are as a person

INTERSECTIONALITY

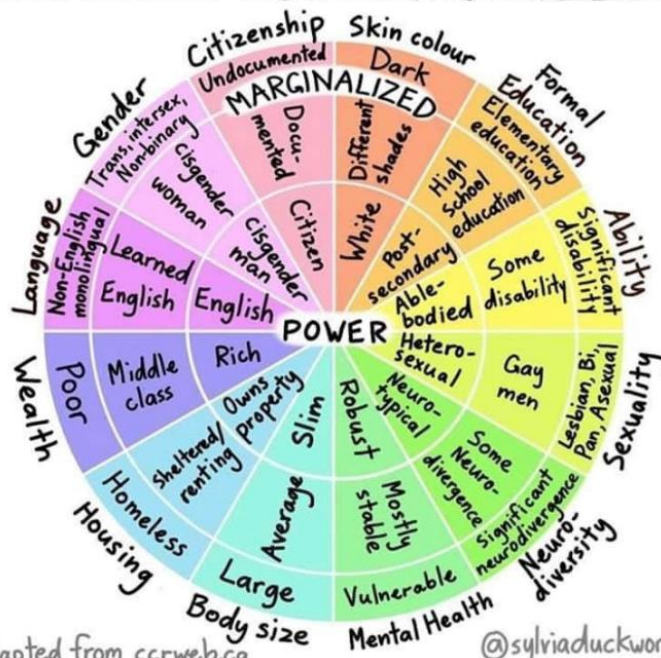

Intersectionality is a lens through which you can see where power comes and collides, where it locks and intersects. It is the acknowledgement that everyone has their own unique experiences of discrimination and privilege.

Bias

Bias =

- Prejudice in favor of or against one thing, person, or group compared with another, usually in a way considered to be **unfair**. (Merriam Webster Dictionary)
- An inclination of **temperament** or outlook. (Oxford Dictionary)

Bias →

- Pathologizing people and communities
- Providing suboptimal care and services
- Increasing medical mistrust
- Facilitating greater sickness and death in communities
- Facilitating greater disparities and inequities

Anti-Racism Framework

= The policy or practice of **opposing racism** and promoting racial equality.

- + More than being "not racist"
- + Allyship
- x Bystanding
- x Gatekeeping

"Anti" Framework Applicable to All Biases

- Ableism
- Classism
- Heterosexism
- Sexism
- Transphobia
- Xenophobia

Application to Work at CCBH

- Creates more comprehensive understanding of the factors driving health outcomes in the community.
- Aids in developing more relevant and effective health programming.
- Facilitates greater buy-in from community members and other key stakeholders.

Open Discussion

- As a new employee, what might make it difficult to advance EDI in your role?
- What resources could CCBH provide you to make it easier to advance EDI in your role?

Last Points

- EDI work is public health work
- EDI learning is lifelong
- EDI work is ongoing
- EDI work ultimately creates healthier communities
